MEMORANDUM FOR: [ ]

SUBJECT: Things to be Done as a Result of my Trip to Germany

1. An article appeared in the New Haven Register on 15 February 1951 on Lebid's speech in Yale. It contained a statement that Mr. Lebid is conferring with the State Department on the VOA's Ukrainian broadcasts and that these broadcasts would be changed and improved in the near future. This was obviously a stupid thing to do and makes our position with the State Department even more difficult. The next time we see Lebid we should in a nice way point out the harm such statements do.

2. I spoke for quite a while with the OSO Ukrainian Case Officer in Munich ~~on the line we are trying to move ZPUHVR towards~~. He is going to talk to them about this and get them to approve it in their newspaper. [ ] is going to follow up on this and see that an effort is made in this direction.
